Directions to PACT Workshops

PACT workshops are held at Dance North County, 535 Encinitas Blvd., Suite 101, Suite, Encinitas CA 92024.

Dance North County is in the North Coast Business Park, on the southwest block of Westlake Avenue and Encinitas Blvd.

If you're driving west on Encinitas Blvd, just past (west) of the Westlake/Encinitas Blvd intersection (Quail Gardens is your right hand turn at that intersection), get in your left hand lane, and turn left into the driveway of North Coast Business Park. Napa Auto Parts will be on your left. (If you were standing on the sidewalk on Encinitas Blvd., we are in the building directly behind Napa.) At the "T" in the driveway, take a left and you'll see Dance North County on your right.

If you're coming from Hwy 5, take the Encinitas Blvd. exit and go east. You will pass a shopping center on your right with Coco's, Kinkos, and Smart and Final. After that block you will go up a hill. Look to your right to see North Coast Business Park, with a Napa Auto Parts store. Turn right into the driveway (just before Napa Auto Parts, if you get to Westlake Ave. you've gone a little too far). At the "T" in the driveway, take a left and you'll see Dance North County on your right. We are in the building directly behind Napa.

Our workshop is in one of the smaller rooms in the back of the building (Suite 101) on the right. See you there.
