

Positive Action Community Theatre
(PACT) Presents:

BEYOND BULLYING

A Theatre Event Designed
To Prevent Bullying

San Dieguito Academy Students had this to say:

"It inspired me to be kind."

"I saw how bullying really affects people and I know I don't want to ever affect anyone like that."

"After seeing how people feel after being bullied and the sadness they endure, I do feel so much more inclined to help them."

BEYOND BULLYING is performed by PACT's Traveling Theatre Troupe and directed by Sandy Redmon, PACT's Artistic Director.

The event features sketches, video clips, and improvisational activities that draw on audience participation.
