

## **Directions to PACT Workshops**

Our workshops are held at Dance North County, 535 Encinitas Blvd., Suite 100 (main ballroom), Encinitas CA 92024. Dance North County is in the North Coast Business Park, on the southwest block of Westlake Avenue and Encinitas Blvd. We are in the main ballroom in the front of the building.

**If you're driving west on Encinitas Blvd.**, just west of the Westlake/Encinitas Blvd intersection (Quail Gardens is your right hand turn at that intersection), turn left into the driveway of North Coast Business Park. Napa Auto Parts will now be on your left. At the "T" in the driveway, take a left and you'll see Dance North County on your right.

**If you're coming from Hwy 5**, take the Encinitas Blvd. exit and go east. You will very soon pass a shopping center on your right with a Smart and Final store. You will then go up an incline in the road. Look on your right to see North Coast Business Park, with a Napa Auto Parts store and a bank kiosk, just west of Westlake Ave. Turn right into the business park driveway (Napa Auto Parts is now on your left), and turn left at the 'T'. Dance North County is on your right.

See you there!
